

Strategic Prevention Framework State Incentive Grant CPP Community Prevention Plan Outline

I. Introduction

A. Description of Community and Project

Description of the CPP Community

Description of the Community's CPP Project

B. Community Readiness for Underage Drinking Prevention

Description of the Readiness Assessment Process

Description and Discussion of Readiness Assessment Results

- *Indicated areas of strength*
- *Indicated areas for improvement*
- *Appropriate target level(s) of prevention strategies*

C. Community Readiness for Preventing Other Substance Use- OPTIONAL

Description of the Readiness Assessment Process

Description and Discussion of Readiness Assessment Results

- *Indicated areas of strength*
- *Indicated areas for improvement*
- *Appropriate target level(s) of prevention strategies*

II. Community Assessment of Underage Drinking Related Issues (Indicators and Infrastructure)

A. Assessment of Standard and Custom Indicators of Underage Drinking and Consequences

1. Presentation of Consumption/Consequence Indicators

- *Title of selected indicator 1*
- *Indicator definition and source*
- *Table*
- *Graph of indicator over time*
- *Map of indicator*
- *Comments*

- *Title of selected indicator 2*
- *Indicator definition and source*
- *Table*
- *Graph of indicator over time*
- *Map of indicator*
- *Comments*

Etc.

2. Assessment of Qualitative and Non-standardized Data on Underage Drinking - OPTIONAL

Description of the Assessment Process

Presentation of Data and Results

3. Separate Assessment of Consequence Data- OPTIONAL

Presentation of Consequence Indicators

You may present consequence indicators (e.g., alcohol-related traffic crashes among 16-20 year olds) together with consumption indicators (e.g., use of alcohol in the past 30 days by 10-20 year olds) if the consequence indicators are clearly related to the consumption of alcohol. If consequences are indirectly related to underage drinking (e.g., academic performance, juvenile detention rates, etc.), present the consequence indicators separately here.

B. Assessment of the Factors Contributing to Underage Drinking in the Community

1. Presentation of Indicators on Causal Factors/Contributing Factors/"Intervening Variables"

- *Easy Retail Access to Alcohol*
- *Low Enforcement of Alcohol Laws*
- *Easy Social Access to Alcohol*
- *Low Perceived Risk of Alcohol Use and Detection*
- *Social Norms Maintaining or Promoting Underage Drinking*
- *Promotion of Alcohol Use*
- *Low or Discount Pricing of Alcohol*

- *Title of selected indicator 1*
- *Indicator definition and source*
- *Table*
- *Graph of indicator over time*
- *Map of indicator*
- *Comments*

- *Title of selected indicator 2*
- *Indicator definition and source*
- *Table*
- *Graph of indicator over time*
- *Map of indicator*
- *Comments*

Etc.

2. Presentation of Assessment Tool Data - OPTIONAL

Description of the Assessment Process

Description and Discussion of Assessment Results

3. Presentation of Other Assessment Data on Contributing Factors- OPTIONAL

Description of the Readiness Assessment Process

Description and Discussion of Assessment Results

C. Community Assessment of Underage Drinking-Related Prevention Resources

1. Resource Presentation

- *Title of selected resource 1*
- *Table*
- *Map*
- *Comments*

- *Title of selected resource 2*
- *Table*
- *Map*
- *Comments*

Etc.

2. Presentation of Other Resource Information- OPTIONAL

Presentation of Other Resource Data

This includes the presentation of resource data that may be collected with an assessment tool or qualitative process (e.g., key informant interviews, focus groups, etc.) that collects data that can not be entered into the resource section of ASPIRE.

3. Gaps Analysis Results

- *Indicated strengths*
- *Indicated areas for resource allocation and development*

III. Community Assessment of Other Substance Abuse Issues - OPTIONAL

A. Assessment of Standard and Custom Indicators of Underage Drinking and Consequences

1. Presentation of Consumption/Consequence Indicators

- *Title of selected indicator 1*
- *Indicator definition and source*
- *Table*
- *Graph of indicator over time*
- *Map of indicator*
- *Comments*

- *Title of selected indicator 2*
- *Indicator definition and source*
- *Table*
- *Graph of indicator over time*
- *Map of indicator*
- *Comments*

III. Community Assessment of Other Substance Abuse Issues – OPTIONAL (CONTINUED)

2. Assessment of Qualitative and Non-standardized Data on Underage Drinking – OPTIONAL

3. Separate Assessment of Consequence Data- OPTIONAL

B. Assessment of the Factors Contributing to Underage Drinking in the Community

1. Presentation of Indicators on Causal Factors/Contributing Factors/”Intervening Variables”

- *Title of selected indicator 1*
- *Indicator definition and source*
- *Table*
- *Graph of indicator over time*
- *Map of indicator*
- *Comments*

- *Title of selected indicator 2*
- *Indicator definition and source*
- *Table*
- *Graph of indicator over time*
- *Map of indicator*
- *Comments*

Etc.

2. Presentation of Assessment Tool Data - OPTIONAL

3. Presentation of Other Assessment Data on Contributing Factors- OPTIONAL

C. Community Assessment of Underage Drinking-Related Prevention Resources

1. Resource Presentation

- *Title of selected resource 1*
- *Table*
- *Map*
- *Comments*

- *Title of selected resource 2*
- *Table*
- *Map*
- *Comments*

Etc.

2. Presentation of Other Resource Information- OPTIONAL

3. Gaps Analysis Results

- *Indicated strengths*
- *Indicated areas for resource allocation and development*

D. Coalition Readiness Assessment

1. Description of the Readiness Assessment Process

2. Description and Discussion of Readiness Assessment Results

- *Indicated areas of strength*
- *Indicated areas for improvement*

E. Assessment of Other Community Prevention Infrastructural Needs - OPTIONAL

1. Description of the Readiness Assessment Process

2. Description and Discussion of Readiness Assessment Results

- *Indicated areas of strength*
- *Indicated areas for improvement*

IV. Prevention Planning – Underage Drinking

A. Underage Drinking Impact Strategy

Issue Statement

Goal 1

Goal 1 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

Goal 2- OPTIONAL

Goal 2 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

B. Underage Drinking Prevention Infrastructure Impact Strategy

1. Coalition Readiness and Capacity

Issue Statement

Goal 1

Goal 1 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

Goal 2 - OPTIONAL

Goal 2 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

2. Resource Allocation and Development

Issue Statement

Goal 1

Goal 1 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

Goal 2 - OPTIONAL

Goal 2 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

3. Other Aspects of Prevention Infrastructure

Issue Statement

Goal 1

Goal 1 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

Goal 2 - OPTIONAL

ETC.

V. Prevention Planning – Other Substance Abuse Issues

A. Impact Strategy

Issue Statement

Goal 1

Goal 1 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

Goal 2- OPTIONAL

Goal 2 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

C. Prevention Infrastructure Impact Strategy

1. Coalition Readiness and Capacity

Issue Statement

Goal 1

Goal 1 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

Goal 2 - OPTIONAL

Goal 2 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

2. Resource Allocation and Development

Issue Statement

Goal 1

Goal 1 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

Goal 2 - OPTIONAL

Goal 2 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

3. Other Aspects of Prevention Infrastructure

Issue Statement

Goal 1

Goal 1 Evidence-Based Programs, Practices and Policies

Rationale for Selected Prevention Strategies

- *Cultural Responsiveness*
- *Community Readiness Level*
- *Sustainability*

Goal 2 - OPTIONAL
